How a College Flag Showcase Series event works — for college flag football coaches and recruiting staff.

HOW AN EVENT WORKS

01 SHOWCASE COMBINE & CAMP

FRIDAY • INDIVIDUAL

Athletes compete individually — position-specific skill work and 1v1s run live in front of credentialed coaches, plus combine testing measured by trained staff and on the record.

02 TRAVEL TEAM SHOWCASE TOURNAMENT

SAT-SUN • INVITED TEAMS ONLY

5v5 competition between top travel programs from across the country and internationally. Evaluate live from the sideline; every game filmed in the full-field view you evaluate with.

01 DALLAS TX • 02 CHARLOTTE NC • 03 PHOENIX AZ • 04 SEATTLE WA • 05 SO CALIFORNIA • 06 OHIO • 07 BOSTON MA • 08 TAMPA FL • 09 NASHVILLE TN • 10 ATLANTA GA
TEN EVENTS, 2026-27 SEASON • EVENT 01 RUNS ALONGSIDE THE INTERNATIONAL SUPERFLAG INVITATIONAL — 80 TEAMS IN 2025
