

# SHOWCASE COMBINE & CAMP

## COACHING BRIEF.

Prepared for Coach Saaïd Mortazavi — what the camp is, who's on the field, and how the weekend runs.

### WHAT THE CAMP IS

The Showcase Combine & Camp opens each College Flag Showcase Series event weekend. It's individual and open-registration — girls flag football athletes compete on their own, not with a team — and everything happens in front of credentialed college coaches. Every athlete's combine numbers and camp participation feed the athlete recruiting package those coaches receive.

#### THE ATHLETES

- ▶ **Girls 12U • 14U • 16U • 18U** (age as of Aug 1)
- ▶ Individual, open registration — no team required
- ▶ Serious travel-program athletes; many rosters attend around the invite-only tournament
- ▶ Every participant is in the recruiting package college coaches receive

#### COMBINE TESTING

Measured by trained staff, on the record:

- ▶ Height, weight & wingspan
- ▶ 20-yard dash (10-yard split)
- ▶ 5-10-5 pro agility
- ▶ Standing broad jump • vertical jump
- ▶ Position-specific skills evaluation

#### THE CAMP SESSION

- ▶ Position-specific skill work run live in front of college coaches
- ▶ 1v1s — each athlete's chance to show her game individually
- ▶ Coaching-led structure — format and stations shaped with you

#### WHO'S WATCHING

- ▶ Credentialed college coaches on-site all weekend
- ▶ Committed today: **NCAA DII, DIII, NAIA, and NJCAA** programs — nine colleges on the board and growing
- ▶ Tournament games filmed by AI cameras in the full-field evaluation view
