

ONE WEEKEND. TWO WAYS TO GET SEEN.

How a College Flag Showcase Series event works — for club directors, team coaches, and parents.

HOW AN EVENT WORKS

01 SHOWCASE COMBINE & CAMP

INDIVIDUAL • OPEN REGISTRATION • STARTS THE WEEKEND

Verified combine testing — speed, agility, and explosiveness measured by trained staff and on the record — plus position-specific skill work. Any athlete can register individually; a whole roster can come together. Results go into the athlete recruiting package college coaches receive.

02 SHOWCASE TOURNAMENT

TEAM • INVITE-ONLY • TOURNAMENT DAYS

Bracketed 5v5 competition against a curated field of travel programs. College coaches evaluate live from the sideline, and every game is filmed by AI cameras in the full-field view coaches use to evaluate — every route and every read, not just the ball.

01 DALLAS TX • 02 CHARLOTTE NC • 03 PHOENIX AZ • 04 SEATTLE WA • 05 SO CALIFORNIA • 06 OHIO • 07 BOSTON MA • 08 TAMPA FL • 09 NASHVILLE TN • 10 ATLANTA GA
TEN EVENTS, 2026-27 SEASON • EVENT 01 RUNS ALONGSIDE THE INTERNATIONAL SUPERFLAG INVITATIONAL — 80 TEAMS IN 2025

WHAT YOUR PROGRAM GETS

- ✓ Verified combine numbers for your whole roster
- ✓ Game film on every athlete, every game
- ✓ College coaches evaluating your players in person
- ✓ A curated field — competition worth traveling for
- ✓ Your program seen alongside the country's top clubs
- ✓ Recruiting outcomes that build your club's reputation

FIRST EVENT — DALLAS, TX

Athletes register for the Combine & Camp on the site; the Tournament is invite-only for teams — here's how that works.
